A TIME TO PLANT

When-ever the poor laboring man looks beyond the gods of the money power, and looks out into the beautiful land-scape lying in front of them, and feel that God created it for the benefit of mankind, and not for the corporations, who by their cunning craftiness, have stolen the homes from the mass of the people and have made slaves of them; when the time comes we say, for the mass of the laboring men to cross over the gulf of thralldom and poperism, then and not until then, can the shackles of slavery be thrown to the ground and the poor walk there on. Then they shall inherit the earth, and plant vineyards and eat the fruits thereof; shall build houses and occupy. They will sow and reap the harvest for themselves, and not for great trusts. Then they will form themselves into such a government as Luke said they had in the days of the apostles, and the kind that Bible Socialism demands. They will have a government ownership as is taught us in this beautiful language:

"And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own but they had all things common.

Neither was there any of them that lacked; for as many of them as were possessors of lands or houses sold them, and brought the prices of the things that were sold,

And laid them down at the apostles feet; and distribution was made unto every man according as he had need."

Acts 4-32.....34-35

There is no better government than this for mankind. Yes but you will say: there would be many that would not work when they could. Ah! my friend, let me tell you, in this government spoken of above, there is laws, that all must work that are able. Please read:

"For even when we were with you, this we commanded you: that if any would not work neither should he eat," 2nd Thes. 3-10

So if a man would starve under this government it would be his own fault, and not the fault of any one else. For Gods law is not for one man to be eased and another burdened; but as Paul said:

"For I mean not that other men be eased, and ye burdened." 2nd Cor. 8-13

Every one has to work. There will be no government rules.
